LOOKS WELL FOR NORTHERN ROAD

ENGINEER GOES OVER PROPOSED LINE FROM WINNEMUCCA TO McDERMITT.

That plans are now being formulated for the construction of a railroad from Winnemucca to Caldwell, Idaho, is evidenced by the fact that only a few days ago the consulting engineer for this project was here and in an automobile went over the proposed route as far as McDermitt, on the Oregon line. The engineer did not divulge his business here, but a representative of this paper found evidence enough to convince him that this railroad enterprise was the sole object of his visit here.

It has been ascertained that the new railroad is to be a broad-gauge and will be constructed by a company independent of either of the transcontinental lines that pass through here.

From reliable authority it is understood that the construction of the northern railroad will be begun some time this summer.—Winnemucca Star.

Try it Once

A STRANGER.

(By James Ravenscroft.)

Never a whistle to make you look back,

Never a friend's hand to hit you a whack

Over the shoulder, and no one to greet

In the crowds passing you by on the street.

Never a "Hello" nor "How do you do?"

A stranger to all, all strangers to you.

No one to call on, and no door to swing

Wide with a welcome to answer your ring.

No one to say, "I'm so glad you are here."

No social circle to comfort and cheer.

Worst of all, when you are lonely and blue

No good old pal-chap to tell it all to.

Ever in that fix? Perhaps you have been

If so, of course you will always be in

On giving strangers the feel-at-home word.

You will remember the time when you heard

Never a "Hello" nor "How do you do?"

A stranger to all, all strangers to you.

OLD ROAD HAS BEEN CONDEMNED

SONORA, California, April 6.—The United States of America brought suit yesterday in the United States circuit court to condemn the old Tioga toll road for non-use. The defendant is William C. N. Swift, successor in interest to the Sierra Consolidated Silver Mining company. This company built the road in 1883 with crushed rock, starting from Crockett station in Tuolumne county to the town of Bennettville in Mono county, to connect with its mine.

The highway varies in width from twelve to twenty feet and is fifty-six miles long. It passes through Aspen valley, around Lake Tenaya and Murphy's Dome, skirts the easterly edge of Tuolumne Meadows and runs through Boulder creek, Deer creek and McLean's pass.

It is alleged that the company used the road as a toll road for nine years, after which time the mine was shut down and the road abandoned, being used only by tourists and hunters at infrequent intervals. The counties of Tuolumne, Mariposa and Mono are made co-defendants in the suit by reason of the toll franchise granted by them to the mining company.

The government desires to use the highway in connection with its system of roads through the Yosemite valley.

THE BEST MAN.

An Irishman, on meeting a friend all bandaged up and with his arm in a sling, cried out: "Hello, Pat, what is wrong with you?"

"Oh," says Pat, "nothing at all to spake of; I've only been enjoying myself at a wedding. It happened this way, Mike. There was an individual at the wedding who was very officious and putting his nose into everything that was going on. So I says to him, 'Who are you?' and he says to me, 'Sure I'm the best man.' 'Ye're the best man,' I replied, 'be jabbers we'll see about the same.' So I took off my coat, and he took off his, and after we had a most enjoyable fight, by the powers, Mike, it turned out that he was the best man."—Ideas.

WOMEN DEFEAT THE SOCIALISTS

WICHITA, KAN., WILL NOW TRY STRICT ENFORCEMENT OF PROHIBITION LAW.

WICHITA, Kan., April 6.—Socialism was decisively defeated here when J. H. Graham, an independent candidate for mayor, was elected over A. H. Blase, a socialist candidate, by 1500 majority.

Four socialist candidates for commissioner were defeated also by majorities more decisive than that by which Graham won. The independent candidates for commissioner won by leads ranging from 1500 to 3000.

The defeat of the socialist nominees is attributed largely to the vote of the women, who, in spite of the rain, went to the polls in large numbers.

The new mayor and commissioners are pledged to a strict enforcement of the prohibition law. Mr. Graham was elected mayor four years ago, but was defeated for reelection two years ago.

CAMORRISTS ARE ALL HOPING FOR ACQUITTAL

VITERBO, Italy, April 6.—In their cells at the medieval monastery of Grandi yesterday the accused Camorristas gloated over what they regard as the triumph of Enrico Alfano in the Court of the Asizes yesterday. As a whole, they are satisfied with the developments of the case, and they believe that they will be acquitted of the charge of murdering the Cuocoletos without even being obliged to introduce witnesses in their defense.

All of the lawyers for the defense visited the prison and conferred with their clients during the day yesterday.

Giuseppe de Marinis, commonly known as "C. Mandriero," who is charged with planning the murder of Gesmarro Cuocoletto and his wife, will be called for interrogation when the trial is resumed tomorrow. He will be the fourth prisoner examined who bears a scar from a razor slash on the cheek.

Giovanni Repl, the treasurer of the Camorra and known as the proprietor of gambling resorts in Naples, Rome, Paris and Ostend, said he would prove that the Italian government intended to appoint him consul in Egypt, where he proposed to establish a gambling house. At present, he said, he was the head of the Southern Club of Naples, which is in reality a gambling association.

FORMER LOS ANGELES TELLER IS ARRESTED

LOS ANGELES, April 6.—Fargo F. Collins, former savings teller of the Oil & Metals Bank and Trust company, was arrested yesterday at his home on a charge of embezzlement. Collins is accused of having embezzled \$4700 on March 20. The complaining witness is H. K. Scott, assistant cashier of the bank. Collins was arraigned before Justice Summerfield yesterday afternoon and his preliminary examination set for tomorrow. His bail was fixed at \$10,800, in default of which he was remanded to the county jail. He has been under investigation by the officials of the bank for some time.

BABY COMMANDS ARMY.

PEKIN, April 6.—An imperial edict issued yesterday in the name of the infant emperor assumes for him supreme command of the army. The prince regent is named generalissimo until the emperor attains his majority. The proclamation is the most important of a series by which the throne has gradually raised the military standard until the army, which was once the most despised profession, is now considered of highest type.
